Morning James,

Many thanks for the cycle storage details. The cycle storage is located within the site which is considered to be in a accessible and secure location, on the basis that the site doesn't currently benefit from any bicycle storage the provision of a store which can accommodate 6no bikes is sufficient.

Please see the below condition which has been reworded accordingly:

- Prior to the reduction in off-street parking associated with the site, sheltered, secure and accessible bicycle parking shall be provided in accordance with the submitted details: Proposed Cycle Storage Plan 22-08-23 & Proposed Cycle Storage – 22-08-23. The storage area shall be maintained for this purpose thereafter.

Kind regards,
