Road Classification:

Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:

The Local Highway Authority (LHA) will not be in a position to issue any formal comments due to missing information on the planning portal. The submitted application form states drawing numbers PL01 to PL09 and a location plan have been provided, but PL02 and PL03 which I assume are the proposed layout drawings are missing.

Therefore, can you please provide the aforementioned missing drawings so the LHA has the opportunity to provide an appropriate response.
