Details of the pre-application advice received

We contacted High Peak Borough Council for advice. We received an email from James Stannard on 24/11/2021 referenced 'The Long Barn, Whitall Fold, SK22 4EF - Planning Surgery.' He advised that our property is a Grade II listed Building and on a site which lies within the open countryside, in the Green Belt and in a Conservation Area. He advised that we would require Listed Building consent as well as Full Planning Permission.

He also set out the main issues that would be relevant to any future planning application including:-

- Impact on Heritage Assets
- Impact on Green Belt
- Design, Character and Appearance
- Amenity
- Parking Provision

Please note that the reference contains a spelling error - ie 'Whitall'

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
