

Landscape GA Key

- **Amenity Grass** - Mown grassed areas either in private ownership or public open spaces within the development, please refer to planting plan for further details. *(281-LST-00-XX-D-L-0301)*
- **Shaded Meadow** - Shade tolerant meadow seed mix sown in areas around existing and proposed trees, please refer to planting plan for further details. *(281-LST-00-XX-D-L-0301)*
- **Wildflower Meadow** - General Wildflower Meadow Grassland seedmix through the site area, please refer to planting plan for further details. *(281-LST-00-XX-D-L-0301)*
- **Planting Area** - Ornamental planting mix, predominantly used around the entrances to the site to denote threshold spaces, please refer to planting plan for further details. *(281-LST-00-XX-D-L-0301)*
- **Woodland Planting** - Woodland understorey planting mix developed to compliment the shaded seed mix to add year round structure, please refer to planting plan for further details. *(281-LST-00-XX-D-L-0301)*
- **Hedges** - Native hedge mix to increase biodiversity and create green corridors across the site, please refer to planting plan for further details. *(281-LST-00-XX-D-L-0301)*
- **Existing Trees** - Existing trees to be retained throughout the development, please refer to existing site survey and the proposed AIA for further details.
- **Proposed Trees** - Proposed street trees are a combination of street trees and native species chosen for habitat value, please refer to planting plan for further details. *(281-LST-00-XX-D-L-0301)*
- **Stone/Reconstituted Stone Walls** - Please refer to Architects details on proposals
- **Fences** - Please refer to Architects details on proposals
- **Vehicular Asphalt Road** - Blacktop asphalt road throughout development, please refer to Engineers details for construction.
- **Vehicular Asphalt Parking** - Blacktop asphalt parking to private and communal areas, please refer to Engineers details for construction.
- **Asphalt Pavements** - Blacktop asphalt parking to both private and communal areas, please refer to Engineers details for construction.
- **Asphalt Paths** - Blacktop asphalt paths for pedestrian use, please refer to Engineers details for construction.
- **Block Paving (Dark Grey)** - Tegula block paving to threshold spaces, please refer to Engineers details for construction.
- **Block Paving (Mid Grey)** - Tegula block paving to arrival and parking areas, please refer to Engineers details for construction.
- **Slab Paving (Buff)** - Concrete slab paving to garden terrace areas in private dwellings, please refer to Engineers details for construction.

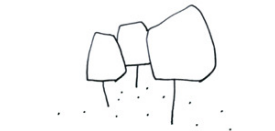

Notes

- This drawing is the copyright of Land Studio. It must not be copied or reproduced without written consent.
- This drawing is to be read as part of a full Landscape Drawing Package in conjunction with all the relevant surveys alongside the Architectural and Engineers drawings
- All dimensions are to millimetres unless specified otherwise
- All contractors must visit the site and be responsible for taking and checking all dimensions, services and setting out related to the works shown on this drawing
- All coordinates are set to dimensional points to enable easy cross referencing on site
- All setting out points are to be verified on site and any discrepancies should be clarified by the Landscape Architect
- Hatching is not a technical representation of surface patterns, contractors are to follow the line of direction specified on drawings
- Where no line of direction is given contractor to contact Landscape Architect before laying. All levels should be checked on site and conflicts reported to the design office.
