

Example of resident timber bin store enclosure for split level properties - Positioned to the front of the dwelling.

- The **Copyright** of this drawing belongs to MP&S Planning & Design Ltd. and shall not be used or reproduced in any form without its express permission.
- Only scale for 'Town and Country Planning Act 1990' services. For construction purposes, work to figured dimensions only. All dimensions to be checked with MP&S and on site prior to the execution of any work.
- For the avoidance of doubt all dimensions are measured to wall structure and not the finishes unless otherwise stated.
- Where any discrepancy is found to exist within or between drawings and/or documents it should be reported to the architect immediately.
- MP&S Planning & Design Ltd. shall not be liable for any use of drawings and documents for any purpose other than for which the same were prepared by or on behalf of MP&S Planning & Design Ltd.

Note: Layout should be read in conjunction with the engineers drawings (for retaining walls and external work details), boundary treatment layout, boundary treatment details, tree survey and the landscape layout. Red edge in accordance with the Outline application.

- KEY**
- Denotes resident drag route to bin collection point, max distance 30m.
 - Denotes refuse collection route, max distance 25m.
 - Character bin collection point.
 - Denotes wheeled bins within private plot curtilage.
