Submission: Neither

Comments: We live on the unmade road leading to the site and have major concerns regarding the access as the road is only very narrow with no passing places. The entrance from the main road is very hazardous and is on a fast bend and also has cars parked restricting view for us exiting the lane. Considering there are supposed to be at least 20 houses with a minimum of a car each we consider this unviable. Also our concern is to the look of the houses as Holehouse is a very small quaint hamlet and consider the plans not in keeping with the whole look of our community.
