Details of the pre-application advice received

The general principle of extending and altering an existing residential dwelling within the built-up area boundary of Buxton is supported. However, the site lies within the Buxton College Conservation Area and as such any application would be subject to Local Plan Policy EQ7, and restrictive national planning policies contained under Chapter 16 of the NPPF, underpinned by Section 72(1) of the Town and Country Planning (Listed Buildings and Conservation Areas) Act 1990.

The principle of development would therefore only be supported if an application is found to either preserve or enhance the character and appearance of the host property and the wider setting of the Buxton College Conservation Area.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

- ☐ Yes
☒ No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

*** "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.**

**** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.**
