Submission: Objection

Comments: The area which these want to build three storey building isn't really acceptable as all other properties are two storey I have lived here for over six years and in six years we are having more problems with on street parking, nobody ever listens these roads are going to need double yellow lines putting everywhere traffic and parking is horrendous this is why this planning shouldn't go ahead it won't be long before there is an accident. Our drive continues to get blocked as people just come and dump there vehicles so it will only get worse.its about time someone came out from highways and look and speak to people that live here.
