Venue:
See Delivery Details

These images are for lay-out and content reference only, Not for physical Colour reference, Colour matching or Colour approval.

Colour may appear to vary across a project in the visuals due to the formatting of the approval sheet, If colours are supplied consistent they will print consistent on final product.

Files will be printed as supplied, no colour adjustment will be made. File dimensions and resolution should be suitable for the reproduction size required including any finishing requirements. Guidelines are available on request. Pantone (PMS) colours will be used if supplied as a spot colour; RGB colours will be converted to the closest matching CMYK breakdown. Where items are printed on different substrates or using different print processes they will be matched within standard commercial tolerances. Additional charges and time are applicable for full colour testing.

Substrates:

Standard Self Adhesive Vinyls, Permanent, Mac Tac PV 828P (Grey)
Laminates, Anti-Graffiti, 7036.
Commodity Code: 59031090, SELF ADHESIVE VINYL
