Submission: Objection

Comments: To change the purpose of usage for the halls of residence to house asylum seekers in such a small town is wrong. The town does not have the facilities to house them. We are already struggling with policing and getting an appointment with our GPs so adding more people who will need this is not fair to the local people and the tax payers. Every person in Buxton and the surrounding areas have a major problem with the change of usage for the halls, house local people who are already living here and are struggling to find somewhere to live, I strongly object to this planning application.
