Comments: There is no infrastructure in place for more homes in Glossop. Many children need to travel to Chaple or new mills for school. There is doubling up now in St Phillip Howard and GlossopDale school because there are too many children. Classes are severely over run with numbers and this is the tip of the ice berg. There is not enough GPs and Howard street is soon closing to combine with Manor Park surgery . It is not right to even consider further houses until the roads are amended (leaving Glossop) and the public services are increased to accommodate the current residents of Glossop . Stop taking these silly planning ideas on because it's unreasonable to consider it in the current state Glossop is in.
