Comments: The road infrastructure in this part of Old Glossop will not accommodate this planning application for 41 houses. The nature and serenity of this area will be damaged with this development (in addition to the development by Mandale Homes). The narrow roads around Old Glossop are becoming a traffic hazard and the countryside walks to Swineshaw Reservoir will be lost. In addition the amenities in Glossop are struggling to cope at present, road network, schools and doctor spaces & public transport. It is irresponsible for planners to add more homes to the town until there serious issues are addressed.
