

PROPOSED REAR ELEVATION - B

Proposed Elevations

Proposed Elevations

236.5m

Architectural elevation drawing showing the proposed side elevation of a building. The drawing includes an existing building on the left and a new structure, the Garden Room Cafe, on the right. The existing building has a flat roof with a parapet and a single window. The Garden Room Cafe is a single-story structure with a flat roof, clad in cedar boarding, and features a large double door and a square window. The drawing includes dimensions: 1200.0 for the width of the existing building's base, 8800.0 for the length of the Garden Room Cafe, 1570.0 for the width of the Garden Room Cafe's base, 2000.0 for the height of the Garden Room Cafe, and 3000.0 for the height of the existing building's parapet. A stone wall is shown retaining the existing building's base. The drawing is labeled "PROPOSED SIDE ELEVATION - C" and "PROPOSED SIDE ELEVATION - D".
