Details of the pre-application advice received

'I can advise that the site is covered by an 'Article 4 Direction' which removes permitted development rights for domestic extensions and alterations (which includes 'like for like' window replacement) where it would front (be visible from) a "relevant location" which is defined as a highway, waterway or open space. This means that any changes to windows in the front and side elevations will certainly require planning permission. Changes to windows in the rear elevation may require permission depending on the design/materials of the existing windows and the design/materials of the proposed replacement.'

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
