Hi Declan

Please see details below as requested by the Conservation Officer.
The client is very keen that windows will be in keeping and like for like replacements.

Manufacturers details: Buxton Woodwork Charles Street Buxton-the windows will be bespoke made

Timber type: hardwood - utile

Glazing: A rated double glazing toughened where required

Colour: White to match existing

The stone for the porch dwarf wall will be reclaimed gritstone saved from a chimney stack that was removed at the property many years ago- see attached.

Please let me know if you require any further info.

One of the windows was badly damaged during the recent storm on Tuesday and needs replacing ASAP.

Kind regards

Nicola
