Hi James,

This proposal sits between two Conservation Areas; Charlesworth to the north and Holehouse to the east and south.

The site location is at a northerly point of Lee Head in an exposed and open area with direct views into and from the Conservation Areas. No Heritage Statement accompanies this application to analyse this, or explore any intervisibility issues the scheme may pose. Currently as the site sits within direct line of sight and therefore setting of the Conservation Areas, I would encourage a Heritage Statement accompanies this application.

Thanks

In your communications with me please always quote the planning reference number if you have one.

Please note, due work levels at this current time I may not be able to respond to your query immediately, however, I shall endeavour to do so as soon as possible.
