Dear Planning

Due to the proximity of existing open space and recreational facilities which will be used by any new residents, we are not requiring any on-site provision. Instead, we would suggest off-site contributions for all 4 typologies which includes Parks & Gardens, Play, Outdoor Sports and Allotments.

The play contribution would be targeted towards the Pavilion Gardens play space to enhance the play value.

The parks & gardens contribution would be targeted towards the Pavilion Gardens Park and/or Serpentine Walks to improve and enhance infrastructure such as seating, litter bins etc.

In terms of the outdoor sports contribution, this would could go towards improving outdoor sports within a 2km radius of the site.

An allotment contribution will be targeted towards plot enhancements and infrastructure at Cunningdale Allotment Site in Buxton.

The contributions required would be as follows:-

lay- 13 x £192 = £2,496

arks and Gardens – 13 x £571 = £7,423

Outdoor Sports – 13 x £489.40 = £6,362.20

Allotments – 13 x £76.95 = £1,000.35

Kind Regards

Sally
