Categories:

Hi James

There is no tree report for this and it will be needed to assess the impact of:

Extension to the rear.

Extension/alteration of parking to rear of site Extension/alteration of parking to front (side) of site Creation of new parking bays to front of the site.

All these developments are proposed for areas that are likely to impact heavily on tree root protection areas.

Thanks
Craig

Craig McCrindle
Arboricultural Officer
High Peak Borough Council
