Submission: Objection

Comments: This planning proposal must be rejected unless direct access from Woodhead Road is created. The proposal of 41 dwellings will no doubt involve an average of at least 2 vehicles per dwelling which together with service traffic would impose an intolerable burden on the only access being via Bute St.

Blackshaw Road into Wellgate and the narrow streets of Old Glossop. The resultant pollution created by an endless queue of slow moving and stationary traffic would totally destroy the ambiance of the conservation village. In addition Glossop in general is lacking the social amenities to support further development lacking adequate access to schooling, doctors dentists etc.
