NEW APPLICATION: HPK/2023/0347

LOCATION: Sports Ground Cemetery Road Glossop

PROPOSED DEVELOPMENT: 2no. permanent, non-illuminated entrance signs to be located either side of the vehicular access road. 2000x800 signage boards mounted on 2no. 76mm grey highways grade steel posts. Signage boards fitted to steel posts with standard highways grade stainless steel signpost brackets.

Hello.

The above application has been forwarded to this Authority for highway considerations and I have the following comments to make :-

The location of the signs is unclear as the attached sign location drawing submitted and uploaded onto the planning portal shows an access onto Cemetery Road, but it does not correspond with any of the approved drawings Conditioned under Decision Notice HPK/2019/0273 (attached).

So can you provide the County Council with any relevant approved drawings under HPK/2019/0273 or subsequent application drawings which may have altered the access to represent the information submitted under HPK/2023/0347.

The County Council would wish to see the highway issues addressed prior to determination, however, should the LPA be minded to approve the application in its current form we would be grateful if the LPA could reconsult the Highway Authority so that consideration can be given to formulating an appropriate response.
