Dear James

Application number	HPK/2023/0177	Application type	Full - MINOR
Site address	Windy Harbour Caravan Site, Woodhead Road, Glossop, Derbyshire, SK13 7QE	Proposal	Addition of one caravan hut to replace existing shed and second hut as owners occupied accommodation, including the expansion of an existing access for exit of cars to highway

There isn't really enough information supplied with the application to determine the suitability of the existing private water supply and sewerage system. The applicant needs to submit a simple planning statement describing the existing system(s) and explaining why they are suitable for the proposals.

Regards

Matthew Rhodes
