Submission: Neither

Comments: I'm objecting due to concerns for local residents & the community.

Is this classed as a pupil referral unit for children with SEN?

Are the children excluded from mainstream education for violent and/sexual behaviour?

Why haven't the council given information to residents and reassured us?

I have already witnessed first hand anti-social behaviour outside my home!

This facility is up and running by stealth!

My concerns are for the local residents.
