Good morning Sarah,

I hope you are still well!

I have now received some further feedback from Environmental Health regarding the revised information submitted for DOC/2023/0027, which I have forwarded to you. As soon as you are able to submit the additional information requested, I will reconsult Environmental Health.

Kind regards,

Hannah Hollins

Hi Hannah

The report does not assess the potential noise at Wren Nest Mill apartments. The consultant has had a look at the map, and not realised the mill has residential premises. The report should be updated to include an assessment of noise at these critical noise sensitive receptors.
