Dear Planning

Application number	HPK/2023/0370	Application type	Full - MINOR
Site address	Dove Holes Cricket Club, Hallsteads, Dove Holes, Derbyshire, SK17 8BT	Proposal	Retrospective planning application for the temporary multifunctional marquee

ADVICE TO LPA:

Refusal of the application is recommended on the following grounds:

- General amenity, noise at neighbouring properties

The use of the development for live and recorded music is central to the proposals set out in the planning statement. The proposed timings on the application form are difficult to read, but this suggests live and recorded music performance up to 1am on Saturdays and Sundays, from April to September.

Measurements taken opposite the site; outside residential properties, indicate noise levels of 64dB during live performances. This represents a significant loss of amenity.

Marquees offer little sound attenuation and are not suitable for live, or amplified music, on a frequent basis, in evenings. There are brick/stone venues in the area that are better suited to such activities.

CONDITIONS:

Should you be minded to approve the application the following conditions are suggested.

1. Noise

There shall be no live music performance, or amplified recorded music played at the premises after 23:00 on any day

Noise from the development shall not exceed 50dB LAeq, 15 minute, when measured 1m from the façade of any residential building.

2. Noise 2

All windows and external doors shall be kept closed after 21:00 hours, or at any time when live or recorded music entertainment takes place, except for the immediate access and egress of persons.

Regards

Matthew Rhodes
