Good Morning James,

Thank you for consulting the Lead Local Flood Authority (LLFA) in relation to the above planning application. Sincere apologies for the delay in our response.
We are unable to provide an informed comment until the applicant has provided further information:

- The applicant should demonstrate consideration of above ground conveyance and attenuation options for the drainage scheme.
- Clarification of what the permeable area of 0.147 ha is made up of.

Thank you.
Kind regards,
Jo
