Dear Ben,

RE: Application HPK/2023/0025

I write to you in relation to the aforementioned planning application, which is the latest for this site submitted by developers.

There appears to be negligible material difference in this application to the one which was previously rejected by the Planning Committee.

Given the large scale of opposition and the lack of material change in the plans, I urge you to reject this application again.

Therefore, I submit formally my request for the Council to reject these plans at Committee tomorrow. I would be grateful for confirmation that my comment will be taken into account by the committee.

Kind regards,

Robert Largan MP
Member of Parliament for High Peak

Thank you
