Comments: The proposed extension, if it is a full height extension, will block out a significant amount of sunlight from the rear of our property at 23 Greenfield Street. This will cast a lot of shade onto our garden, conservatory and kitchen which already have little direct sunlight as a result of the existing side of the property at 19 Peter Street. The property at 23 Greenfield Streets has had uninterrupted enjoyment of light for more than 20 years and I believe this means we have acquired rights to light through the windows / apertures (Rights of Light Act 1959) in rooms used for every day living.
