Comments: Dove Holes cricket club is essential to the village and local economy by organising public events such as local artists performing who maybe don't get the chance at other venues to get their name out there to succeed. There is a real sense of community in the village with the venue to all get together, catch up and be a focal point for all villages to come and enjoy themselves or even to have a break from general life and struggles. Community is dying across a-lot of villages in the county so it would be a real shame for this to happen to another village such as Dove Holes so with this application it ensures that the community has a place to come together now matter the time of year
