Thank you for your recent request regarding the need for planning permission for the above proposed development.

As Hanover Cottage is a Listed Building planning permission is required for any window replacements. In order to replace the existing windows a householder planning application and a listed building consent application will be required.

Please note this letter constitutes the informal view of the Council and is based on the information you have supplied. This enquiry does not constitute an application for a Lawful Development Certificate for a proposed development under section 191 of the Town and Country Planning Act 1990.

In addition to the above you may require building regulations for your proposed development therefore you should contact the Councils Building Control Section to check at buildingcontrol@highpeak.gov.uk or alternatively more information can be found on the Councils website.

Yours sincerely

Rachel Robinson

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
