NEW APPLICATION: DOC/2023/0067

LOCATION: Eastern Mill, Milltown, Glossop

PROPOSED DEVELOPMENT: Discharge of conditions 12,14,15,18,23 and 38 relating to HPK/2022/0317

Dear Tom

Thank you for consulting on this application regarding the discharge of condition 23 relating to the WSI for archaeological works. I have had prior sight of the WSI and it is acceptable. The archaeological contractor has also been in contact with this office and I am aware that Standing Building recording is underway to be augmented with the intra-demolition/intra-conversion WB works when these elements are being undertaken.

I am unable to discharge condition 23 in full but I confirm that an appropriate WSI is in place for archaeological works to commence and that those works archaeologically required, pre-demolition, have been undertaken. I will only be able to sign off the full condition once all archaeological works have been completed in accordance with the agreed WSI and the archive deposited.

I hope that this is helpful

Best regards

Reuben
