

Architectural site plan of a four-unit residential development. The plan shows four units (Unit 1, Unit 2, Unit 3, Unit 4) arranged around a central paved area. Each unit includes a kitchen, dining area, living area, WC, and hall. Unit 1 also has a utility room. The units are surrounded by gardens and parking spaces. Key features include:

- Stone faced Retaining Wall +150mm above level of neighbour's garden with Shiplap Timber Fence above +1800mm (bottom left)
- Stone faced Retaining Wall +1200mm above pavement level with inbuilt raised planter (bottom right)
- Shiplap Timber Fence +1800mm High (multiple locations)
- Shiplap Timber Fence +1900mm High (middle right)
- Stone faced Retaining Wall +300mm & Black Metal Railings +900mm above pavement level (top right)
- No Boundary Treatment (top center)

The plan is marked with letters A, B, C, D, E and numbers 1, 2, 3, 4.

Diagram illustrating the proposed stone-faced retaining wall and garden area:

- Stone faced Retaining Wall + 1200mm above pavement level with inbuilt raised planter
- Existing Pavement (Public) - 3525mm wide
- Proposed Garden - Stone Paving & Grass
- Leek Road

Stone faced Retaining Wall +150mm above level of neighbour's garden with Shiplap Timber Fence above +180mm

1800

150

1790

This is a detailed architectural section drawing. It shows a stone-faced retaining wall on the left, which is 1800mm high. A shiplap timber fence is shown on the right, with a total height of 1790mm. The drawing includes a dashed line representing the ground level and a solid line representing the top of the wall. The wall is 150mm thick. The fence is shown with vertical slats. The drawing is labeled with dimensions and a description of the wall and fence.

Shiplap Timber Fence  
~1800mm High

This diagram illustrates the proposed layout for the parking area and its connection to the existing road. It shows a cross-section of the ground with the following elements:

- Macclesfield Old Road:** The existing road surface on the left.
- Existing Pavement (Public):** The current pavement area, labeled with "No Boundary Treatment".
- Tarmac - Proposed (Private) Parking Area:** The new parking surface, shown as a sloped area.
- Stone Paving - Proposed Walkways:** The proposed paved paths, shown as a series of rectangular blocks.
