Submission: Objection

Comments: My objection is in regards to the use of the marquee as a venue for entertainment /music . The marquee is clearly not an adequate structure to block noise from encroaching on nearby properties . We have heard it on occasion from our home further down the village . The consultation response letter by the Environmental Officer backs this up . There should be a proviso that all music / entertainment should be held within the main building which would greatly reduce the noise level for nearby property .
