Submission: Objection

Comments: We object to the planning application for a temporary marquee.

The noise level from events held has been disrupting for the last couple of years. From live bands, discos to children's parties. This has been for most weekends and some week nights, especially during the summer months. Music is played anytime of day into the night lasting way past 11pm on more than one occasion. This has meant lack of enjoyment of our own home. If Events were held in the building or use the facilities of the community hall the noise could be contained.

Also the parking when an event is on isn't substantial enough for guests attending and residents. The excess, park outside our premises which needs 24/7 access for car transporters etc for businesses.

I note a lot of people supporting the application do not live in the vicinity.
