Submission: Objection

Comments: I object to the planning application to keep the marquee as functions held in there are so loud and can be heard even with windows closed. Plastic sheeting isn't enough to contain the noise within the marquee. It also looks like opening times are going to be extended which will only prolong the noise. Timings are unclear on the form. There is no objection to events being held but music/bands should be in the building so they cannot be heard by others. It is also interesting to see that a lot of people in support of the Planning application are not of addresses that will be affected by the noise.
