Subject: Daniel Crompton re :Planning application HPK/2022/0456

Hi Bob hope you are keeping well , nice to see you in simmondley last Sunday , just wanted to ask a few questions regarding above planning application . It affects us massively as Kay and Myself have lived in the bungalow located at adderley place for a couple of years now which backs on the the proposed development site.

Have the planning committee visited the site and seen the amount of wildlife that resides there ?.

Have the planning committee visited the roadside opposite Dinting primary school during pupil drop off and collect times ? . I feel this entry and exit road that will be added from this development will cause absolute chaos to the already over loaded A57 and will consequently affect every resident of glossop .

Also can you clarify how Wain homes propose to build a housing estate across the lane the

residents of adderley place use for access and the public right of way with out preventing or disturbing the access to our properties.

Hoping you can clarify some of these matters , look forward to your reply

Many thanks
Daniel Crompton .
