Dear Sir/Madam

Regarding the above planning application, I noticed that the roof of the garage was attached to my extension and soffits, I asked the builder to have a look as my bungalow is detached, he said they have done it to stop water going down the gap between the bungalow and the garage, I pointed out that my bungalow is detached. The gutters are new on my bungalow and now there is black bitumen attached, making us joined to the garage of number 8 Oak Close, also the bungalow has been covered with a off white render, making it completely different to the other surrounding buildings.

Yours sincerely
Mrs Susan Hall
