## Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

### Description

Please describe details of the proposed development or works including any change of use

The existing multi-pitched roof is in urgent need of a full replacement, as the roof leaks in multiple locations and we are repeatedly having to repair patches.

We are proposing a 'like for like' replacement of the existing roof, in order to repair all rotten timbers, upgrade the loft insulation to modern standards and install a mixture of modern breathable membrane and traditional bitumen felt in order to stop the leaks.

We propose the use of a mixed rood membrane / felt as the property has bat roosts, for which we are in the process of applying for a licence for. We intend to use traditional roofing felt in the areas in and around the bat roosts.

We intend to re-use as much of the existing Welsh slate as possible for the re-roofing work, as well as the terracotta ridge tiles. Where additional roofing material is required, we will be sourcing matching heritage / salvaged materials to match.

The roof will be a like for like replacement, with no material change to the height or dimensions of the roof.

All leadwork will be replaced on a like for like basis.

Chimneys will be re-pointed, as required.

Has the work or change of use already started?

- ☐ Yes
- ☒ No

## Existing Use

Please describe the current use of the site

The building was originally a Victorian residence, converted into flats. Penny Anderson Associates Ltd acquired the property in 1997 and had a change of use permission to use the building as commercial office space. The building remains our head office.

Advised that planning permission would be required as the property lies within a conservation area. Advised to make planning application through this online portal.

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
