Submission: Objection

Comments: Quite clearly the applicant has attempted to mislead both the public and the planning committee in an underhand way. It is obvious that the proposed residents will be what used to be called, before these ridiculous days of wokery and political correctness, juvenile delinquents. They will ignore rules and show no respect for other people's property or peace of mind. There is no place for these people so close to residential property and a busy road. Permission must be refused.
