Submission: Objection

Comments: I am concerned as a local care provider of the level of staffing this project will need and the competition it will bring, as a care provider established 15 years we are struggling to recruit staff locally and can not complete with the wages this company ,children's services pay.

This will cause significant damage for our recruitment and may put us in a very bad situation, we ca not complete with these high wages and may put us put of business .

We are a.local not for profit community intrest company and support 69 adults with learning disabilities in day care provision and have 2 supportive living schemes, this is a huge worry to us.
