YOUR COMMENTS ON THE CASE

I wish to support the appeal of this application. I have lived in the area for many years and often walk past the site.

I believe the proposed extension would blend in with the surroundings. The site is always tidy and well maintained.

The increase in the size of the business if the extension is built would mean a substantial increase in local jobs.

I believe small local businesses should be encouraged and helped to remain in the local area rather than have to move away to obtain a larger premises.

The applicants are local people who invest a considerable amount of time in voluntary work in the area including serving as councillors .
