

Discharge Conditions:

No. 4. 5. Surface water and foul water, details on the two drawings attached.

No. 9 Hard and Soft Landscaping, details on the two drawings attached.

No. 13. Proposed arrangements for future management and maintenance of the proposed shared driveway.

As I am the owner of all the buildings on this site that will have shared driveways, I will manage and maintain them.

All the properties, including the two the planning has been granted for, will either be lived in by myself or rented. For the foreseeable future, none of these properties will be sold.
