RE: Application for the Retention of Works to Form a Temporary Sales Area at Foxlow Fields, Harpur Hill, Buxton

Further to our recent exchange of correspondence, please find enclosed a request for temporary planning permission for the retention of works carried out to facilitate the creation of a sales and show home complex at Foxlow Fields, Harpur Hill, Buxton.

We respectfully request that the temporary planning permission is granted for a period of up to four years to allow for the sales area and show homes to be used for the duration of the development.

Upon completion of the development, the affected plots – Plots 88, 89 and 90 – will be remediated in line with the approved plans and the temporary boundary treatments and associated works removed.

A plan showing the scope of the temporary works has been included as part of this application (Ref: Sales Area Plan Rev D).

I hope that the information submitted is sufficient for you to consider our application, however, should you require anything further, please do not hesitate to contact me.

Thank you for your assistance in this matter, your help is much appreciated.

Yours sincerely

Emily Christie
