Hi James,

Chapel Milton Viaduct, Hayfield Road.

-

I don't have an issue with this in principle, but feel a few details are missing before I conclude.

-

There is no detail on the new handrail which looks to protrude above the parapet of the bridge. Secondly, pointing is noted to have failed in various areas but it is not clear whether this is being addressed.

Finally, what anti climb measures are proposed? This can mean a number of things whilst I am not rehearsed in products Network Rail use; I know it can vary dramatically from paint to barbed wire.

Thanks

In your communications with me please always quote the planning reference number if you have one.

Please note, due to work levels at this current time I may not be able to respond to your query immediately, however, I shall endeavour to do so as soon as possible.

Advance notice of planned leave:
