Submission: Objection

Comments: Whilst I appreciate the sale of the proposed community centre never attracted a buyer, I feel if these 15 new homes are permitted the area has lost its chance of gaining community benefits like a park for the local children to play on. Originally there was going to be changing rooms for the users of the football field to use and again the building of these homes would only harm this further. Please consider how this area can be used to improve the area for the local people and children rather than just adding another house.
