Comments: This matter was considered at last night's Parish Council meeting. The Council had 2 concerns about the proposal:

1. This is a narrow road, where it can be difficult for cars to park without becoming an obstruction to passing traffic. It seems likely that the addition of the porch will cause a parked vehicle outside the property to park in a way which obstructs the carriageway more than previously, and this would not be acceptable.
2. No other nearby dwelling has a porch, so it will look odd for this house to have one.
