Submission: Objection

Comments: I object to the development of the Shire Hill Hospital mainly on the basis of the number of the proposed houses for this site. The traffic in this area would be massively increased making the access in and around Old Glossop impossible. The access to this area through the precious streets of Old Glossop would suffer substantially in an area suffering from bottleneck situations. The area of Blackshaw Clough already attracts visitors where parking is an issue this number of houses will just add to an already growing problem. The natural beauty of the flora and Fauna of this area would be damaged beyond repair. This is a greenbelt site and should remain so.
