Dear Sir

Tec-Ties Ltd, Hauge Bar Works, Hague Bar, New Mills, High Peak, SK22 3AT

Please find enclosed an application seeking advertisement consent for the illuminated sign that is already in place at Tec-Ties Ltd. The documents submitted with the application include: -

Application Forms.

AE01 – Elevation and plan detail.

AE02 – Existing daytime image.

AE03 – Existing night time image.

Location plan.

The sign details are as follows:

Built-up flat faced 0.9mm brushed stainless steel letters and logo with Internal halo white 12v LED illumination. 410 candelas/sqm (when illuminated against a white background). Estimate 350 candelas/sqm against green cladding.

Complete with 4mm opal oversized (by 3mm all round) back trays to aid an even light distribution around edge of letters/logo.

1089mm high 'logo' and 446mm high re : 'TECTIES' all with 50mm deep returns. Logo produced in two sections with the right-hand section powder coated one standard red colour 3031.

I look forward to the decision in due course.

Yours sincerely

Andy Ellis
