Submission: Objection

Comments: Whist I welcome the fact that someone wants to Improve this site, which is an eyesore, I must object to these proposals as I consider that the proposed parking is unsatisfactory.

The arrangement as shown can't help but involve all kinds of convoluted maneuvers to allow drivers on and off the plot, all of which would involve the North bound side of the A6 between the School and the Crossroads with Yeadsley Lane/Marsh Lane.

It is my understanding that the general rule is that vehicles should be able to turn round within the confines of the site such they can enter and exit in a forward manner.

This crossroads is a very dangerous junction on a very busy stretch of a major trunk road and introducing this arrangement so close to it can not be sensible. To say nothing of its proximity to the school crossing
