Comments: HI,I'm writing to support the above application. I live in Chinley and I'm also a volunteer for the Nature Reserve which abuts the Tithe Barn land. At the moment it is an 'eyesore' with plastic and builders waste which affects/impacts the wildlife in our NR. It will be much better all round if building work resumes and this barn becomes a dwelling ASAP. On a personal level I walk the area regularly and it's obvious that aesthetically and environmentally the area will be improved if this project is finished
