Submission: Objection
Comments: Dear Sir / Madam

The objection relates to the number of homes proposed for the site. The 2016 High Peak Local Plan is currently under review, and the next round of public consultation regarding the draft plan is intended for later this year, in Q3 2024. The allocation for homes on the Shire Hill site in the current Local Plan is 30 homes. It would be helpful for the reasons for the increase to 41 homes on the site be made available, when consultation on the new Local Plan is continuing and is not yet adopted.

Yours sincerely

Carole Hallam
